## COVID – 19 Questionnaire

In order to reduce potential exposure to both associates and campers, ensure compliance with applicable regulations, and ensure that campers receive the information they need to stay healthy and safe, campers must answer the following questions. If a camper answers no to any of questions 1-5, it may be necessary to engage in additional dialogue with the camper's parent or guardian to determine the extent of the camper's limitations and whether we can implement modifications to allow him or her access. If we cannot reasonably accommodate the camper, he or she may be ineligible to attend camp during 2020. Any questions regarding accommodations should be directed to Camps Director Sarah Kelley.
