

Making Music and Memories

As a friend of Recreation Unlimited, we wanted you to be aware of this grassroots fundraising opportunity.

Recreation Unlimited is participating with The Columbus Foundation with a Better Together project through The Giving Store. Better Together projects are time-sensitive opportunities to improve our community, together. Whether this campaign falls short or exceeds its goal, all of the gifts made will support the Musical Garden at Recreation Unlimited. Recreation Unlimited's goal is to develop the Musical Garden Phase 2 this fall, a therapeutic space that integrates music with nature. Campers with visual impairments and on the Autism Spectrum have been particularly impacted by the Musical Garden, through the sound, vibration, and tactile interactions with the instruments. The total cost of the Musical Garden Phase 2 is 16,000. Recreation Unlimited Foundation is supporting this project with a donation of \$8,500. The balance of \$7,500 will be raised through the Better Together program with individual gifts.

Recreation Unlimited has until May 15th to reach our goal through this grass roots campaign. If you would like to learn more or make a donation to this project, please visit The Giving Store at <https://columbusfoundation.org/the-giving-store/better-together/making-music-and-memories>. Please help Recreation Unlimited reach our goal! **Any size donation of \$20 and up is greatly appreciated.**

"I love playing music!"

"Making Sounds is fun!"

"These drums are cool!"
