Recreation Unlimited's 195-Acre Accessible Campus

Recreation Unlimited Farm and Fun, Inc. (Recreation Unlimited) provides programs in sports, recreation and education for individuals with disabilities and health concerns, while building self-confidence, self-esteem and promoting positive human relations, attitudes and behaviors.

If you are interested in "hands-on" experience, while gaining training and development that will enhance your education, paid positions are available that include room and board. Recreation Unlimited is a place where you will learn from each other and learn from our campers with disabilities. It is a life changing experience, where you can be yourself and feel valued while you help others.
